Nederland

Conformity

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1090-1:2009 + A1:2011

Under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above

Begin of validity
(First issue date)

07-08-2015

Period of validity

This certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonized standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly and the intervals for the routine surveillance intervals as laid down in the product standard are maintained.

Place and issue date

Best, 11-09-2015
